

Blanc Lime

A throw-back to the old bistro days of Southern France when squeezing a little lime into straightforward carafe wines on hot summer days was de rigueur. Fruity & refreshing, with a hint of sweetness and effervescence.

The perfect summer quaff!

We call it Grown Up Lemonade.

8% Alcohol and 100% Refreshing. Bet you can't drink just one (glass)

When your customers taste this they fall in love, and when they bring a few bottles home and open them with friends, they want more.

Serve Well Chilled or Over Ice.

Available in Screwcap or "Limonade Bottle" (swing ceramic cap)
